

Florida State Junior Thespian Festival Entertainment and Workshops 2016

Florida State Junior Thespians is proud to offer eighteen workshops this year at our Festival! Our presenters are some of the very best in their respective fields, and they are looking forward to sharing their knowledge with you! Because we are holding most of these workshops in classrooms, there is a limited amount of space for participants. Please line up early outside the classrooms, and stay quiet because other events are still in session nearby.

Workshop participation is on a first-come, first-served basis—please be sure that you are able to stay for the entire workshop.

ALSO ... we respectfully ask that ADULTS MAKE ROOM FOR STUDENTS if the room starts to get too full. Go take a break while our students dig in for an amazing experience!

Each workshop is about 45 minutes long unless otherwise noted.
